Golden Leaf Holdings Management to Attend Upcoming Conferences in U.S. and Canada

PORTLAND, Ore., Aug. 03, 2018 (GLOBE NEWSWIRE) -- Golden Leaf Holdings Ltd. (“Golden Leaf” or the “Company”) (CSE:GLH) (OTCQB:GLDFF), a cannabis company with cultivation, production and retail operations built around recognized brands, today announced its upcoming attendance at a number of major cannabis industry and investor events.

From August 8 to 9, Golden Leaf CEO William Simpson will present at the Canaccord Genuity’s 38th Annual Growth Conference taking place in Boston, Massachusetts. The Canaccord conference is a premier investment forum for innovative small and mid-cap growth companies from the U.S., Canada, and the U.K. At the conference, institutional and private investors, as well as venture capitalists, are provided with the opportunity to speak directly with the management teams of public and private companies.

Later in the month, management will attend MJBIZCon Int’l in Toronto, Ontario from August 14 to 16. Presented by the cannabis industry publication Marijuana Business Daily, the conference is considered one of the largest and most established cannabis business summits and features experiential exhibits, technology demonstrations, educational seminars and networking opportunities for investors to connect with a wide range of cannabis companies.

CEO William Simpson will also present at the Benzinga Cannabis Capital Conference. Benzinga is a leading financial media outlet with extensive coverage of the cannabis space. The conference takes place from August 16 to 17 in Toronto, Ontario and features the foremost industry entrepreneurs and investors.

Simpson said, “Attending industry conferences and events provides extremely valuable insight into the health of the industry as a whole and the strategies, products and innovations that will shape the months and years to come. They are important opportunities to interact with potential investors, media, and industry leaders and to discuss the most critical topics impacting cannabis today.”
